Transcript of Topic

Reality Proposal Bidding Project in an Undergraduate Multimedia Management Course – with Web 2.0 Assistant
11:44am, Tues, May 5, 2015 by Jimmy

The role of ICT in Program Pensiswazahan Guru in a Public Universities in Malaysia: Students View
11:44am, Tues, May 5, 2015 by fairuz

Learning Analytics Framework using Moodle environment
11:45am, Tues, May 5, 2015 by Fadzli

(1) Issues and Challenges in integrating E-Learning in Malaysia SMART school such as MRSM.
11:46am, Tues, May 5, 2015 by AHMAD

Student learning engagement in Field Theory using blended learning
11:46am, Tues, May 5, 2015 by WongEK

1.acceptance of e-learning to specialist (educator from industry which not from academic field)
11:46am, Tues, May 5, 2015 by ila

(2) The MRSM student Readiness on E-Learning environment
11:47am, Tues, May 5, 2015 by AHMAD

E-Learning for undergraduates: Dilemma between information overload vs. management of knowledge
11:48am, Tues, May 5, 2015 by Meng

Design and Evaluation of Cloud-based e-Learning Framework for Universities in Malaysia
11:48am, Tues, May 5, 2015 by Lillian

Understanding lecturers' innovativeness in relation to their adoption of blended learning approach
11:49am, Tues, May 5, 2015 by Fariza

effectiveness of LMS in teaching technical subject
11:49am, Tues, May 5, 2015 by ila

Elearning vs Traditional Method in Teaching Fundamental of Operational Amplifier in Electronics Engineering
11:49am, Tues, May 5, 2015 by wkwong

educating school children about literature through digital storytelling
11:49am, Tues, May 5, 2015 by Ariffin

Relevant & Affordable E-Gadgets Use By Student in E-Learning
11:50am, Tues, May 5, 2015 by Saidi

The Acceptance of Reality Proposal Bidding Project in an Undergraduate Multimedia Management Course – with Web 2.0 Assistant
11:50am, Tues, May 5, 2015 by Jimmy

A Comparative Study between Blended and Conventional Learning on Student Engagement and Impact on Performance
11:50am, Tues, May 5, 2015 by Ong

Effectiveness of flipped learning approach in physiology teaching among Year 1 BPharm students.

11:50am, Tues, May 5, 2015 by aidiahmad

Improving student academic performance via e-learning: 2.00 students perspective.

11:50am, Tues, May 5, 2015 by Malinna

Faktor-Faktor Yang Mempengaruhi Penggunaan E-Learning Dalam Kalangan Pensyarah

11:50am, Tues, May 5, 2015 by Firdaus

• Assessment of The Students' Utilization Of A Learning Management System In A Malaysian Higher Education

11:51am, Tues, May 5, 2015 by hapiza

Understanding Staff Resistance to Implementing Hybrid Learning.

11:51am, Tues, May 5, 2015 by MALEE

eLearning Adoption Among Senior Lecturers: Grounded Theory Approach

11:52am, Tues, May 5, 2015 by fairuz

• GERMS - Green E-learning Relationship Management System Framework

11:52am, Tues, May 5, 2015 by hapiza

Exploring flipped classroom in a large undergraduate class

11:52am, Tues, May 5, 2015 by Azidah

Flipped Classroom for Computer Programming Subject

11:52am, Tues, May 5, 2015 by Sarina

e-learning Management in Technical Vocational Education and Training (TVET)

11:53am, Tues, May 5, 2015 by Azura

/ The effectiveness of technology implementation for accounting education.

11:53am, Tues, May 5, 2015 by ahm

Survey On Factors Influencing Students On Using i-Class System : A Case Study in UiTM

11:55am, Tues, May 5, 2015 by hapiza

Effectiveness of E-Learning in Health Science Courses Using Technology Acceptance Model

11:55am, Tues, May 5, 2015 by Razif

The involvement of lecturers in e-Learning: Case study in UniMAP

11:56am, Tues, May 5, 2015 by BYLim

Incresing engagement via gamification in eLearning for remedial students

11:56am, Tues, May 5, 2015 by hafiza

The effectiveness of video lecture method for technical and non-technical course.

11:59am, Tues, May 5, 2015 by ahm
